Zero Kiryu's Thoughts

Hey there, so I decided to write this...I don't know why...it was a long time ago

Disclaimer: I do NOT own anything, just the words xD

I am a cold heartless monster.

And you are the most perfect angel I have ever seen.

We have known each other four years, and yet I have not attacked you...

Alas, I spoke too soon, cause here I am with my fangs buried in your neck...

I am truly sorry, Yuki...

Your blood is all I need to quench my thirst...

It is proof that I am in love with you...

But I know you will never love my like that...not while that damn Pureblood still breathes...

It's all the Purebloods' fault...

If it weren't for them my family would still be alive, I would never have met you, and I wouldn't be falling to a Level E!

I vow to kill ever last one of those bastards from this day forth...

Forgive me, Yuki, for harming you...I will not do it ever again...

For you are the only one I love...

But shall never have...

This is a poem for what I think might have been Zerorin's thoughts after he bit Yuki the first time. please comment if you want xD

End file.
